

## Letter from T.C. Martin to Alexander Graham Bell, January 13, 1908

0254 T. C. MARTIN Editorial Rooms W. D. WEAVER ELECTRICAL WORLD 239 WEST  
39th STREET, NEW YORK Dr. Alexander Graham Bell, Washington, D. C. My dear Dr.  
Bell:

I am greatly obliged to you for the beautiful message sent in connection with the Kelvin Memorial Exercises, as it adds another personal testimonial to the worth of the great and good scientist whom we have just lost. In my own remarks, as representing the Institute, I quoted his own statement of the inspiration he derived from meeting you, and there were other frequent references to the telephone.

Trusting that your family conditions may improve, believe me with regards, Yours truly,  
T.C.Martin January 13, 1908.
